## Student Fee Committee (SFC)

OSU-Cascades Student Fee Committee (SFC) is a group of student leaders responsible for the allocation of student incidental fees. Serving on this committee is a fundamental opportunity to shape what services, programs and activities are available for the students on this campus and will create the future legacy of OSU-Cascades. SFC also operates a Professional Development Fund to support students' personal development goals.

## Student Sports Clubs

The focus of the Sport Club Program is to offer recreational, social and competitive opportunities for students at a variety of skill levels. Clubs are student-run and often compete with other universities around the state and across the United States. Sport clubs represent OSU-Cascades in the competitive sports world and are composed of students who share a passion for sport and a common interest to pursue their goal at a local, regional or national level.
