Important Additional Notes:

1. Although this program does prepare PBAC certificate students to take the Certified Public Accounting (CPA) licensing exam, there may be additional credits a student will need to earn. According to the Oregon Board of Accountancy requirements, students must also have at least 36 credits of other Business related course work, in addition to their 36 credits of Accounting-specific course work. See <http://www.oregon.gov/boa/Pages/ExamReq.aspx> for more details.
2. Effective January 2010, Post Baccalaureate Accounting Certificate students may apply to receive federal financial aid. Contact the Financial Aid office for details.
3. Over 50% of the credits required for the certificate must be taken in residence at OSU. Any taken off campus, must be pre-approved as equivalents and upper division work must be taken from an AACSB accredited business program.
4. The ACTG & BA classes are generally offered between 8:00-7:00 p.m. The only classes available online are: ECON 201 and BA 360.
5. PBAC students often need certain advisor overrides inputted to the registration system each term before they register for classes. Registration for the next term always starts in Week 8. Plan ahead and make your advising appointment before Week 8.
6. You are also required to create an OSU ONID email account. This is key to staying current on happenings in the Accounting Dept and College of Business, as well as OSU-Cascades. To create an ONID account, go to <http://onid.oregonstate.edu/>, then click on "Sign up for ONID". Check your email often, but we recommend that you don't forward it to another account. You may not get all your messages by forwarding.
7. The Accounting Certificate advisor is Maribeth Erlich, maribeth.erlich@osucascades.edu
8. Finally, when you are in your last term at OSU for the Certificate, you will need to complete an Accounting Certificate Completion form in order to generate an audit and notation on your transcript. This form is available at the Enrollment Services Desk in Tykeson Hall.
