

# Business and Entrepreneurship Minor

2017-2018

(Not available to Pre-Business or Business Administration majors)

## REQUIRED ORIENTATION

Current OSU students wishing to declare the minor must view a brief orientation. Students can get to the online minor orientation via the College of Business Student Services website at: <http://business.oregonstate.edu/advising/business-entrepreneurship-minor/how-apply-business-entrepreneurship-minor>

## TO DECLARE THE MINOR

The following areas are reviewed to determine student eligibility:

- ✓ *Required Course Work GPA* – Any of the 32 credits of required minor courses completed at the time of evaluation for declaration must average 2.50 GPA or higher (OSU grades only) with no grade lower than a C-.
- ✓ *Good standing at OSU* – Previous term GPA at OSU and cumulative OSU GPA must be at least 2.0.

## HOW TO DECLARE THE MINOR

After orientation (**IF eligible**), an academic advisor will assist you in planning your course work and the minor will automatically be updated in MyDegrees.

## HOW TO EARN THE MINOR

- ✓ All classes must be taken for a letter grade (A-F). S/U grading is not allowed.
- ✓ A minimum grade of C- required in all minor and COB classes (both OSU and transfer).
- ✓ Minimum 2.5 GPA is required for 32 minor credits (OSU grades only).
- ✓ If a course is repeated at OSU, only the second grade earned will be used to compute the College of Business GPA.
- ✓ Minor course work and/or prerequisite classes may be repeated at OSU only once.
- ✓ **Fifty percent of minor classes must be completed at OSU.**

It is the student's responsibility to double check that all requirements are met. The advisor can suggest courses and assist the student in constructing a plan of study, but the student, in the end, is responsible for assuring all requirements for graduation are met.

*Disclaimer: All info is subject to change. Catalog year is based on when a student is admitted to OSU and declares their major or minor.*
