## 6:09 pm Discussion and History of Gardening Club

Elsie Charles -- Gardening club will be chartered as if they are brand new. They existed during the 2018-2019 academic year, but lost their President, were unable to secure plots of land over the summer, and did not get a budget allocated to them during the spring budget hearing.

## 6:18 pm Gardening Club Re-Charter

Alex Zaiser -- The goal of gardening club is to educate students and faculty on sustainable practices to help alleviate food insecurity.

**Asking for \$2,450.**

- Exploring options for greenhouse/planter box locations
- Educational speaker
- Soil/seeds/planters for small events as well as club fairs
- Did not have significant number of repeat attendees last spring

## 6:45 Gardening Club Re-Charter Discussion

Elsie informed the group that the gardening club was allocated \$700 last spring, and only spent \$100. One of the main concerns in fulfilling the entire requested amount was that it would be difficult to maintain momentum without a solid foundation in the club.

Before the vote, the team went through and restructured the budget to a more realistic standard (\$1,350).

Jade Motions to allocate \$1,350 to the Gardening Club

**Left open at 5:3:0**

**Later failed at 4:5:0**

## 7:18 Student Worker Raises

Discussed structure of student raises including eligible time period, start date, and additional raises each year. Mostly clarifying information about dates for new members in order to understand the motion. Jade and Elsie both abstained from voting due to meeting eligibility requirements for the raise.

Taha moves the motion to approve and enact a \$0.50 hourly raise given to student leaders per year of their work, if they have worked 6 consecutive months within Student Life by July 1st, the beginning of the university fiscal year. This opportunity will be made available on July 1st of each fiscal year if the student has worked a minimum of 6 consecutive months within Student Life up until that time. A student worker who has worked more than 6 consecutive months for more than 2 fiscal years (a minimum of 6 consecutive months in each fiscal year) will be eligible for a \$0.50 raise for each respective fiscal year they have worked.

**Passed 6:0:2**

## 7:50 OSA Discussion

Members received informational packets including testimony, Memorandum of Understanding, and OSA financial information. Jade drew attention to the fact that OSU-Cascades is being charged \$2,333.33 per term, while the expected price considering the number of students is \$1,822.29. Kristen helped discuss possible benefits of staying in OSA such as the seat held in HECC. Members were encouraged to review packets.
