Outdoor Products

The interdisciplinary Outdoor Products degree program combines design, engineering, natural resources, outdoor recreation, sustainability, and business. You'll focus on product commercialization, lands stewardship, and experiential learning to educate and inspire future leaders for the opportunities and challenges in the outdoor industry.

Outdoor Products is a program founded by and unique to OSU-Cascades, designed in partnership and consultation with industry leaders and innovators.

Graduates of the program will lead by balancing product, profits, people, and the planet. They will enter the local and global outdoor industry as stewards of our natural environment.

Your Bachelor's Degree (BS) in Outdoor Products

- A minimum of 180 credits are required for graduation; 60 must be upper division (300 and 400-level courses).
- A maximum of 135 transfer credits may be applied toward a bachelor's degree at OSU.
- 45 of the last 75 credits must be completed at OSU
- More info at: osucascades.edu/academics/outdoor-products
- College of Engineering college requirements: <https://engineering.oregonstate.edu/tools-services/academic-progression-model>

Courses Required for Outdoor Products Major (117 credits)
