

OSU-CASCADES INNOVATION DISTRICT REMEDIATION PHASE 1

WEEKLY PROGRESS REPORT

8/5/2024 to 8/9/2024

WEEKLY SUMMARY

This week the Knife River team continued processing excavated material for structural fill placement in Area 1. The haul road has also been shifted to make way for the future Innovation Way roadway alignment as it is starting to become more visually apparent through the hammering of the basalt and hard cinder layers near the west connection point. Preconstruction services for the RAB at Innovation Way and Century Dr. is commencing as well.
