

OSU-CASCADES INNOVATION DISTRICT REMEDIATION PHASE 1

WEEKLY PROGRESS REPORT

9/2/2024 to 9/6/2024

WEEKLY SUMMARY

The crushing team continues to process our structural fill and have reconfigured their conveyors as they work their way through the feed pile. Water trucks have been busy with fill operations and dust control during the above average temperatures for the first week in September. The new Innovation Way road alignment is taking shape as seen looking east from campus!
