

Oregon State University Cascades

Master of Counseling (MCoun)

The following information is in alignment with 2016 CACREP standard 4.E. which states, "Counselor education program faculty must annually post on the program's website in an easily accessible location the following specific information for each entry-level specialty area and doctoral program: (1) the number of graduates for the past academic year, (2) pass rates on credentialing examinations, (3) completion rates, and (4) job placement rates."

Data listed below is for Academic Year 2023-2024		
	Clinical Mental Health Counseling Track	School Counseling Track
Graduates	20	4
Pass Rates on Credentialing Examinations	100%	n/a
Completion Rates	89%	50%
Job Placement Rates	100%	100%
