

# OSU-CASCADES INNOVATION DISTRICT REMEDIATION PHASE 1

## WEEKLY PROGRESS REPORT

04/28/2025 to 05/01/2025

## WEEKLY SUMMARY

Grade crews are cutting subgrade in the parking lot area along with installing all underground electrical for lighting and gates. Street light bases are installed, and drainage facilities complete in this area.

Rosendin was on site this week installing streetlight conduit along with communications and power on Innovation Way.

Knife River has begun clearing and grubbing adjacent to Rim Road to extend a new walking path on the west side of the road. Work continues at the Rim Road roundabout for a new island and ADA ramps.

Striping has been inlayed and completed on the roundabout at century.

Pipe crews set up the flushing system for work next week.
