Project Overview: Describe your project in 500 words or fewer. Your overview should not be identical to any submitted by other students working on the same project – it should be written by you in your own words. Applications are competitive. Please consult the applications scoring rubric to assist preparation of your project overview: <https://tinyurl.com/by7ap9dd>.

Please describe your specific role on the project. What parts of the planning and/or methods will you conduct yourself? Also, please describe the role of your mentor(s) and the role of any other students on this project. As mentioned above, applications are awarded competitively based on your answers to questions 18–22. Please limit this answer to 150 words.

Anticipated Impact: Please describe how participating in this project will impact your education and/or career goals. Please limit to 150 words.

Budget: Please draft a budget of up to \$500 for supplies and/or travel associated with the project. Use categories such as "lab supplies, incentives for participants, airfare for conference travel, or other specific costs". Be as specific as possible. If you do not need a supply/travel budget, leave this section blank.

Project Timeline, Feasibility, & Deliverable: Provide your project timeline with planned dates for completion benchmarks such as IRB/IACUC submission (if needed for human or vertebrate research), participant recruitment, sampling/data collection, experiments, data analysis, and write-up or poster creation & presentation. (Presentation can be at the OSU-Cascades Undergraduate Research & Scholarship

Symposium: <https://osucascades.edu/research/students/cc-research-and-scholarship-symposium>.)

If you accept this award you agree to present a poster of your results within 1.5 years of accepting the award or before you graduate, whichever occurs first. At this point in time, when and where do you anticipate presenting your project results?

- ☐ May 2026 Cascades Research and Scholarship Symposium
- ☐ May 2027 Cascades Research and Scholarship Symposium
- ☐ Other (specify date and venue)
