

B.A./B.S. in American Studies Portland Community College Transfer Guide

American Studies: Program Overview

American studies is a major that encourages students to question and develop an understanding of America and American Culture. Interdisciplinary study in literature, history, arts, and political science (among others) provides students with a rigorous yet individualized program.

American studies majors go on to apply knowledge in a broad number of fields, sparking new thinking and practices in business, education, art, law, medicine and politics. Over and over again American studies graduates prove the immeasurable value and applicability of liberal arts training and education. We are certain that providing you with the skills and resources to think critically, globally and democratically is at the heart of what a modern university must do to achieve relevance for the world in which all of us live.
