

# Clackamas Community College Transfer Guide

## Arts, Media and Technology (BA/BS)

### Arts, Media and Technology: Program Overview

#### Learning Outcomes:

Through a sequence of required courses, arts, media, and technology students will:

1. Create original visual work that exhibits a distinctive, dynamic and unique personal voice.
2. Develop written and verbal competencies to describe and analyze visual art and graphic design through writing, conceptual development, research, study of theory and critique of the intent of their own work.
3. Develop necessary techniques and execution of form and content relevant to visual communication in 2D, 3D, and 4D mediums.
4. Demonstrate competency with industry standards through a professional art or design experience and an embrace of new technologies.
5. Develop an original, innovative and articulate body of work for a professional portfolio.
6. Focus on ethics in the process of making various forms of visual communication.

#### Degree Planning Notes:

- This guide provides the pre-approved transfer courses from CCC to OSU. Students may still petition for review of a transfer course to complete a requirement if they choose to. You will work with your academic advisor after admissions on this process.
- Students completing an AAOT should use this guide to select classes in AAOT and Major.
- Use Arts, Media and Technology webpages and connect with Transfer Admissions Advisor to find more resources to plan classes and when to transfer.
