Bachelor of Science in Outdoor Products
Chemeketa Community College Transfer Guide
2022-2023 catalog

Outdoor Products: Program Overview
The Outdoor Products degree program combines product commercialization, lands stewardship, and experiential learning to educate and inspire future leaders for the opportunities and challenges in the outdoor industry. Graduates of the program will lead by balancing product, profits, people, and the planet. They will enter the local and global outdoor industry as stewards of our natural environment.

Outdoor Products is a program founded by and unique to OSU-Cascades, designed in partnership and consultation with industry leaders and innovators. The curriculum is interdisciplinary, drawing together foundational and practical knowledge necessary for immediate impact and broad success in the Outdoor Industry.

Outdoor Products: Degree Requirements
Students will complete the following requirements to complete the Bachelor of Science in Outdoor Products. This guide will help students work with their advisor to plan their pathway to graduation.

- OSU Graduation Requirements
- OSU Baccalaureate Core
- Outdoor Products Major Requirements

OSU Graduation Requirements:
- 180 total college credits
- 60 upper division credits (64 in major)
- 45 out of last 75 credits must be OSU credits
- 2.0 OSU and Major GPA
- 135 maximum transfer credits

Degree Planning Notes:
- Consider applying for Degree Partnership Program (DPP) to take OP 100-200 level courses while taking CCC courses to stay on track to clear completion.
- Use the major webpages to find more resources to plan classes and when to transfer.
  osucascades.edu/academics/outdoor-products

OSU Baccalaureate Core Requirements (Bacc Core)
Complete all Bacc Core using the OSU-Cascades Bacc Core course guide. Completing individual Bacc Core is suggested. However, students who have an AAOT or ASOT have all Skills and Perspectives completed.

Use the Bacc Core Transfer Course Table to select approved Bacc Core courses in each category.
