

Oregon Coast Community College Transfer Guide Bachelor of Science in Energy Systems Engineering

Important Note:

Students are encouraged to dually enroll at OSU-Cascades spring term of their second year, to avoid a year delay in the ESE program. ST 314, is only offered spring term and once a year. ST 314 is an important pre-requisite for upper division courses offered fall term of third year. Failure to take ST 314 could result in a year delay in the ESE program.
