

## Human Development Family Sciences

### Minor Checklist

## Human Development & Family Sciences Minor (28-31 cred.)

Students minoring in Human Development and Family Sciences will learn how people change across the life course within the contexts of families, schools, and communities. This minor complements other academic degrees such as education, liberal studies, psychology, social science and allied health sciences.

#### Minor Eligibility Requirements:

- Maintain a 2.0 or better OSU GPA
- All courses must be taken for a letter (A-F) grade.
- No more than two attempts at any major course or pre-requisite course.
- Minor is available to all majors, except those majoring in Human Development & Family Sciences.
