

HDFS Minor Checklist

Students minoring in Human Development and Family Sciences will learn how people change across the life course within the contexts of families, schools, and communities. This minor complements other academic degrees such as elementary education, liberal studies, psychology, and social science.

PHHS College Requirements

- A grade of C– or higher is required for all courses in a student’s undergraduate program of study.
- The College of Public Health and Human Sciences does not accept third-course attempts either at the university or transferred in from other institutions to meet individual course requirements within any major effective Fall term 2014.
