

B.A./B.S. Liberal Studies COCC Transfer Guide

Liberal Studies: Program Overview

The liberal studies major allows students to design their own plan of study organized around a theme. This theme is unique to each student and intended to support their academic interests, personal and career goals. This interdisciplinary approach provides greater breadth and flexibility than can be found in other majors. Students mix and match courses from the following OSU-Cascades departments: American studies, anthropology, art, English, communication, political science, psychology, new media communication, Spanish, sociology, and writing.

To complete a Bachelor of Arts (B.A.) or Bachelor of Science (B.S.) in Liberal Studies students must complete the following degree requirements:

- OSU Graduation Requirements
- Baccalaureate Core
- College of Liberal Arts Core
- BA or BS Requirements
- Submit Plan of Study/Essay for College approval
- Liberal Studies Major Requirements

This form details the degree requirements and the approved COCC transfer courses to meet these requirements. Please visit the OSU-Cascades Liberal Studies program website for more details.
