

# Looking-up/registering for Courses at OSU-Cascades

1. Use the Schedule of Classes each time you are getting ready to register. Using other tools can result in registering for Corvallis section courses on accident.

The screenshot shows the myOSU portal for a student. At the top, there is a navigation bar with 'Oregon State University', 'Eileen Registrars Test Person REGISTRAR', and links for Home, ONID Email, Help, and Sign Out. Below this is a 'myOSU My Personal Pages' section with tabs for Welcome, New Student, Student (highlighted), Paying for College, and Campus Life. The main content area is divided into several sections: 'My Student Stuff' with links like My Class Schedule, My Degrees, My Student Records, My Textbooks, My Transcripts, My Week At A Glance, Academic Regulations, Academic Standing, Apply to Graduate, Catalog Year Policy, Enrollment Verification, Final Exams, OSU Directory Preferences, Privacy/Confidentiality, Code of Student Conduct, Student Evaluation of Teaching, View Holds, and My Profile; 'Academic Profile' with a dropdown menu set to 'Summer 2018'; 'Important Dates' with an Academic Calendar and a list of dates for the 2018 Summer Term; 'Registration Tools' with links for Getting Started, Priority Registration Status, Look Up Classes, Add / Drop Classes, Scheduler, Baccalaureate Core Courses, Change of Grading Basis, Course Catalog, Schedule of Classes (Corvallis / Bend / Distance), and Web Tutorials; 'Learn@OregonState' with links to Canvas and Student Guide; and 'Student Academic Services' with expandable sections for Academic Support Offices, Academic Support Services, Advising, Collaborative Learning Centers, Degree Partnership Programs, Disability Access Services, Ecampus Student Services, Forms, INTO OSU, OSU Libraries, Registrar, Transfer Credits, and Veterans' Services. Two orange arrows point from the 'Student' tab to the 'My Student Stuff' section and from the 'My Student Stuff' section to the 'Registration Tools' section.

2. Click on **Schedule of Classes** to find course details and find course info easily.

This block provides a close-up of the 'Registration Tools' section from the screenshot. It lists the following links: [Registration: Getting Started](#), [View Priority Registration Status](#), [Look Up Classes](#), [Add / Drop Classes](#), [Scheduler](#), [Baccalaureate Core Courses](#), [Change of Grading Basis](#), [Course Catalog](#), [Schedule of Classes: Corvallis / Bend / Distance](#), and [Web Tutorials](#). Two callout boxes are present: one with a red prohibition sign (a circle with a diagonal slash) pointing to the 'Look Up Classes' link, containing the text 'Do NOT use Look up Classes. It is too easy to register for a course at Corvallis campus this way.'; and another with a yellow thumbs-up emoji pointing to the 'Schedule of Classes: Corvallis / Bend / Distance' link, containing the text 'DO use Schedule of Classes to search courses.'
