Use the Schedule of Classes to look up classes, class times and find CRN’s

Labs/Recitations

If a course lecture is "linked" to a noncredit lab or recitation or studio, you must register for all parts of the course. Register for both CRN’s at the same time for linked courses.

Register for Lecture and one of the lab sections.

Hybrid

A hybrid course combines regularly scheduled on-site classroom meetings with online out-of-classroom components.

Online Classes (aka e-campus)

OSU has an extended campus that houses all of OSU online courses called E-campus. OSU-Cascades students are allowed to take most E-campus courses. There are difference in tuition/fees for online classes. Students will have to set up Proctor/Testing services for online classes. Read course restrictions for details.
Use the Schedule of Classes to look up classes, class times and find CRN’s and MORE!

Additional Registration Information

Registration Errors:
You may receive a registration error such as a MISSING PREREQUISITES or PROGRAM RESTRICTION.

Read the restriction, contact your advisor and clearly relay what registration error message you are receiving. If it is something that can be cleared your advisor will let you know.

Add or Drop or Withdraw:
More details of how to from classes is found in the Registration Handbook or Office of the Registrar.

Waitlists:
Waitlists are not ideal, but you may want to add to a waitlist to see if they open more seats in a class. Find waitlist course details at registrar.oregonstate.edu/waitlisting-courses.

Checking your OSU email each day is required if you are on a waitlist.
