8:00am -- Review Meeting Minutes

8:05am – “Big Buckets” Recommendations

The committee reviewed the proposed changes to the FY 21 budget recommendations. These changes included reallocating funds among student activities, services, SFC, clubs, and recreation. This lowered the total amount of funding needed for the year.

9:30am – HDFS Lunch and Learn Proposal

Lunch and Learn is an activity with the goal to teach more undergrads about the HDFS department. They would give attendees coupons for discounted lunch in the dining hall. The committee decided that, since this event would be available to all students, we could use the campus development funds. We also have plans to fund this program in the future.

Vote to allocate HDFS Lunch and Learn \$81 passes 5-0-0
