4:00pm -- Review Meeting Minutes

4:05pm – COVID-19 Updates/Budget Reductions

We discussed several ways we could reduce the Student Fee Committee budget due to the school moving to remote learning for all of spring term. These changes included: Cutting promotional funds, possibly cutting campus development funds by a proposed \$15,000, and reducing club start-ups and club events (need to communicate with clubs first). It is also worth noting that the WFRs we allocated money for have been cancelled and will be reimbursing. We explored the idea of a possible relief fund, but have not had an in-depth look at it.

4:45pm – ASCC Ratification

ASCC voted to make an emergency amendment for elections voting requiring 8% of the student body to vote (article 5, section 2, paragraph D). The change was to reduce 8% to 5% in order to compensate for the expected lack of voting.

SFC ratified on a 6-1-2 vote

The meeting was adjourned at 5:02pm
