11:00am -- Review Meeting Minutes

11:05am – Review Proposed Unit Budget Reductions

We reviewed multiple budget reductions within student life. ASCC was able to reduce their budget by \$10,885.84. There are currently discussions surrounding the Student Inclusion Coordinator position as well as ways to provide for students while the food pantry is unable to operate. Event council was able to reduce their budget by \$10,477.71. Veterans Services only has \$143.97 remaining, but the rest of that will come back into our budget. Clubs have been reduced by \$15,526. Within clubs, E-Sports is looking to spend their allocate money in the fall, and Rock Sports is still uncertain if nationals will take place this summer. Cascades adventures was able to reduce their budget by \$14,000 by removing intramural sports, van rental, and postponing their big equipment purchase. They will possibly be able to reduce by an additional 15%. As for the SFC budget, we are looking to cut Campus Development to \$3,000, we withdrew club funds and set up an application process, and we decided to keep the additional hour line item.

The meeting was adjourned at 12:24pm
