## 8:00am -- Review Meeting Minutes

### 8:05am – Jade Warner

To start the meeting, we reviewed the problems we were finding as students with remote learning. Some solutions to the various problems were creating a guide to Zoom etiquette, offering more tutoring, and more prepared online lectures (more applicable for possible situations in the future).

We then reviewed the updates from ASCC. OSA will be included in the spring budget hearings, and SFC would need to decide how to examine their information. Since they are technically a piece of ASCC, we chose to give them additional time in their slot to present OSA's information. The deadline for video submissions pertaining to the spring budget hearings is May 1<sup>st</sup>. Next, we voted on setting dates for the budget hearings.

**Vote to set spring budget hearings on May 7, 8, and 9 passed 8-0-0**

The meeting was adjourned at 9:34am
