Flowchart for HASA and Lab Safety Requirements

Flowchart for HASA and Lab Safety Requirements

- **Teaching Lab** —Yes→ **No HASA Req.** Need Student Safety Acknowledgement Forms
- Teaching Lab —No→ **Research Lab**
- Research Lab —Yes→ **Lab Safety Training Complete**
  - Lab Safety Training Complete —No→ **Complete Req. Training Before Proceeding**
  - Lab Safety Training Complete —Yes→ **Experimental Procedure/Hypothesis is Complete**
    - Experimental Procedure/Hypothesis is Complete —No→ **Create Exp. Procedure Before Proceeding**
    - Experimental Procedure/Hypothesis is Complete —Yes→ **SOP Complete**
      - SOP Complete —No→ **Write SOP/Draft Before Proceeding**
      - SOP Complete —Yes→ **Procedure Uses Hazardous Components**
        - Procedure Uses Hazardous Components —No→ **No HASA Required**
        - Procedure Uses Hazardous Components —Unsure→ **Consult SDS's Before Proceeding**
        - Procedure Uses Hazardous Components —Yes→ **Biological**
          - Biological —No→ **Chemical**
            - Chemical —No→ **No HASA Required**
            - Chemical —Yes→ **HASA Required** —Once Completed→ **Confirm HASA with Supervisor**
          - Biological —Yes→ **HASA Required** —Once Completed→ **Confirm HASA with Supervisor**
- Research Lab —No→ **Other Lab**
  - Other Lab —Yes→ **Contact EH&S and Safety Committee**
  - Other Lab —No→ **Lab Related**
    - Lab Related —Yes→ **Contact EH&S and Safety Committee**
    - Lab Related —No→ **Nothing is Required**
- Contact EH&S and Safety Committee —After Consultation→ **Teaching Lab**
