

MFA CREATIVE WRITING

osucascades.edu/mfa

Low Residency Program

ABOUT THE PROGRAM

This two-year graduate program begins each fall, and guides you to become a better writer. Supported by our award-winning MFA faculty, you will read, write and analyze, and join fellow students for intensive writing residencies. For 10 days, students and faculty get to be writers and nothing else. You'll conclude the program with a thesis of publishable quality and literary merit.

Genres

MFA students select a genre, and also write and study across genres to deepen their craft and understanding.

- Fiction
- Poetry
- Creative Non-Fiction

Program of Study

Our holistic curriculum builds the muscles of your imagination with:

- Broad reading in literature and contemporary letters
- Creative writing workshops, literature lectures, and professional and vocational seminars
- Thesis manuscript and oral exam
