

Confidential Reporting Procedure

If you are a victim of a crime and do not want to pursue action within the University System or the criminal justice system, you may still consider making a confidential report. With your permission, the Campus Administrator or a designee of OSU-Cascades Leadership can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the University can keep an accurate record of the number of incidents involving students; determine where there is a pattern of crime with regard to a particular location, method, or assailant and to alert the campus community of potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the institution.
