

Schedule Arranger Guide

OSU is launching Schedule Arranger, a program that works directly with the Schedule of Classes to help you determine a class schedule that works for you!

Go to the Schedule of Classes -> classes.oregonstate.edu/

To use the Schedule Arranger function, you will need to be signed into your OSU account. If you are not already signed in, you can do so at the top of the Schedule of Classes. This will take you to the login screen where you will enter your username and password.

Search with the same parameters you would on the Schedule of Classes. You can narrow your search by typing in the title, subject, or a keyword. You can also search by OSU-Cascades Campus.

If there is something that would prevent you from registering for a course, you will see a warning message before you add the class to your cart.

The screenshot shows the 'CLASS SEARCH' interface. On the left, there are search filters: 'Title, Subject, Instructor or Keyword' (text input), 'Summer 2020' (dropdown), 'Any Subject' (dropdown), 'Any Level' (dropdown), and 'Any Campus' (dropdown). Below these is a red 'SEARCH' button. At the bottom left is a 'Cart' section with a red 'PRIMARY CART' button. On the right, the 'Cart Contents' slide is open for 'Cart: Primary (Summer 2020)'. It lists two items: 'MTH 251 *DIFFERENTIAL CALCULUS' with a warning icon and message: 'Course or Test Score Error: Requires satisfactory completion of prerequisite course(s). Questions should be referred to the department hosting the course.' Below this is a course entry: '010 MWF 1-1:50p; T 8:3...' Staff. The second item is also 'MTH 251 *DIFFERENTIAL CALCULUS' with the same warning message, followed by '011 Th 8:30-9:50a' Staff.

If there are conflicts in your schedule, the Cart Contents slide tells you what conflicts exist. Examples included below show a hold preventing registration, the need to add a linked course for a recitation, and a time conflict with another course:

The screenshot shows the 'Cart Contents' slide for 'Cart: Primary (Fall 2019)'. It lists three items with error messages indicated by black arrows:

- BI 231 INTRODUCTION TO HUMAN ANATOMY AND PHYSIOLOGY**: A warning icon and message: 'Student has a hold that prevents enrollment'. Below it is '001 MWF 9-9:50a' Staff.
- CH 231 GENERAL CHEMISTRY**: A warning icon and message: 'Linked course required (Recitation)'. Below it is '003 MWF 10-10:50a; Th...' Staff.
- HST 106 *WORLD HISTORY III: THE MODERN AND CONTEMPORARY WORLD**: A warning icon and message: 'Time conflict with CRN 16717'. Below it is '002 MWF 10-10:50a' Staff.

Once your registration time opens, go to Schedule Arranger and submit your registration cart. This will direct you to the Registration screen in Online Services, where you will see the courses you chose populated into the registration screen. Submit your changes in Online Services to register.

Exclude Times EDIT

Click "Edit" next to "Exclude Times" to add in blocks of time you do not want to be scheduled. Be sure to check the 'Exclude Times' box if you wish to remove classes that occur during the times you restrict:

The screenshot shows a web interface for managing class schedules. On the left is a search sidebar with the following sections:

- Search Classes:** Includes a text input for "Title, Subject, Instructor or Keyword", a dropdown for "Fall 2019", a dropdown for "BI - Biology", a dropdown for "Any Level", and a dropdown for "Corvallis". A red "SEARCH" button is below.
- Cart:** A red "PRIMARY CART" button.
- ADVANCED SEARCH:** Includes a checkbox for "Honors Course" and a checked checkbox for "Exclude The Following Times" with an "EDIT" button. Below this are several dropdown menus: "Any Course Materials", "Any Schedule Type", "Any Open and Full Classes", "Any Session", and "Any Credits".

The main area is titled "Exclude Times" and features a grid with columns for days of the week (Mon, Tue, Wed, Thu, Fri) and rows for time slots (8am, 9am, 10am, 11am, noon). Black blocks in the grid indicate excluded times: 8am-9am on Mon, Wed, and Fri; and noon-1pm on Tue and Thu. At the bottom of the grid are buttons for "DESELECT", "SELECT", "CLEAR ALL", and "DONE". A "Reset Search" link is in the top right corner.
