Dear Students,
I want to personally welcome you to the OSU-Cascades family and congratulate you on taking such an important step toward your future. You have truly found the best of both worlds here — the expertise of a large world-class research university and a small campus where your professors know you and help you to become your best. You will find that everyone here — from your faculty to staff to your classmates — is invested in your success. I look forward to handing you your diploma in a few short years!

Other benefits of not driving include saving money, better fitness and reducing your carbon footprint. [osucascades.edu/transportation](osucascades.edu/transportation)

There is no charge for your first card. Bring your OSU ID number and a picture ID. Your Student ID serves as your free pass on all CET bus routes in Bend. Do not put holes in your Student ID. The replacement fee for a Student ID is $25.
